WELCOME!

meet NHA and what we're here to do.

About Us

The NouHaus Advisory (pronounced /nuː haʊs/ – "The New House" or "NHA").

A faith-led management consulting and financial advisory firm dedicated to empowering Africa's purpose-driven entrepreneurs, enterprises, and institutions.

Born out of Today Tomorrow Energy (TTE), we extend our expertise beyond energy advisory and environmental innovation to serve a broader spectrum of transformative businesses and institutions.

We act as trusted stewards of vision, bridging strategic clarity with capital solutions to unlock sustainable growth and generational impact. Rooted in excellence, inspired by purpose, and led by Spirit, we guide ventures from concept to scale through bespoke strategies and mission-aligned financing pathways.

For us, every mandate is sacred – vision is not merely ambition; it is a divine assignment.

Our Vision

To become Africa's most trusted purpose-driven advisory house.

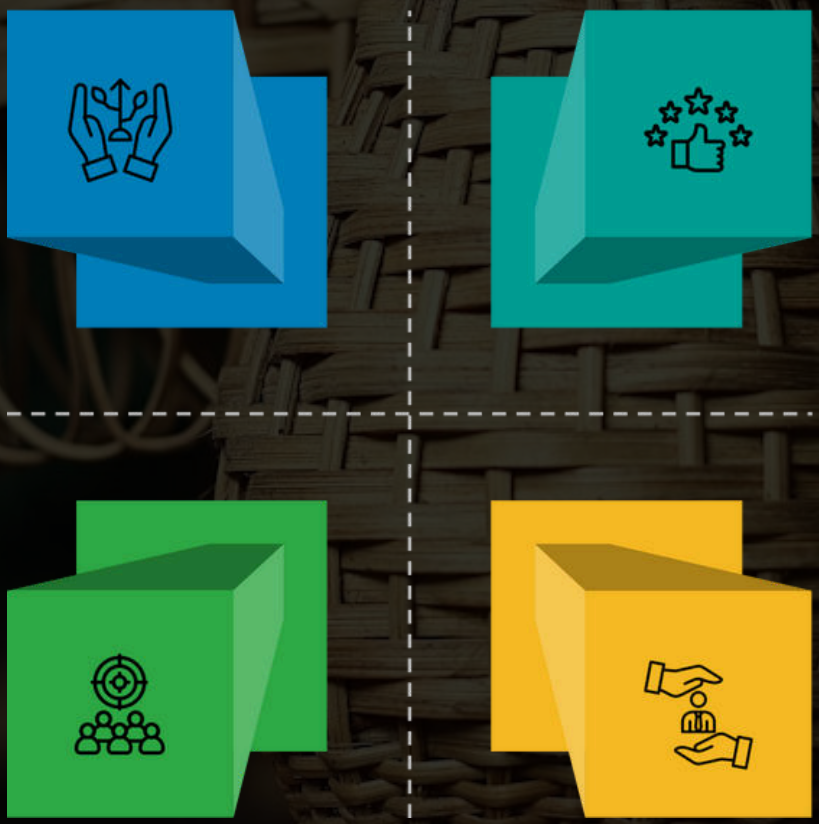

Our Mission

To align strategic excellence with purpose in business.

Our Core Values

Stewardship
We honor every vision as a trust to be nurtured and multiplied.

Excellence
We deliver with precision, integrity, and competence.

Purpose-Driven
We partner only with ventures committed to meaningful impact.

Legacy Mindset
We build with the future in mind –for generations to come.

Who We Serve

Entrepreneurs & founders leading impact-focused ventures

High-growth SMEs across Africa

Development institutions & capital partners

Corporates undergoing strategic transformation

Our Impact

From early-stage startups to large-scale enterprises and infrastructure projects, The NouHaus Advisory (NHA) works across sectors and stages to transform vision into ventures that are investable, executable, and scalable.

Our portfolio spans the structuring of industrial parks, preparation of investment documentation for major mining and infrastructure initiatives, and guidance to purpose-driven founders in technology, sanitation, and energy ventures across Africa.

Building on the legacy of impactful projects delivered under Today Tomorrow Energy (TTE), we bring extensive experience and a proven track record to drive innovation, sustainability, and lasting change across the continent.

Why The NouHaus Advisory

01 Purpose-Driven

We integrate values with business objectives to deliver advisory solutions rooted in insight, integrity, and data-backed strategy.

02 Track Record of Impact

Our work has unlocked millions in capital, catalyzed market entries, and structured sustainable scale for African businesses.

03 Tailored, Long-Term Approach

Every engagement is collaborative, personalized, and built with legacy in mind.

04 Pan-African Perspective

Our advisory experience spans diverse sectors across Nigeria, West Africa, and other regions– equipping us with a nuanced understanding of cross-market dynamics and opportunities.”
